When you serve beverages
in your home, give guests the
best obtainable. You'll find the
additional cost is trifling, but
the additional enjoyment is
surprising. It's a host's truest
compliment to a guest, and
one most deeply appreciated.

If you think that means go-
ing out to buy the most expen-
sive liquors, you are in for a
surprise too.

Take a tip — serve your
friends with well-known, ad-
vertised, quality brands as
featured at the

How'd You Like A Nice Present?

Have you a convenient place to
keep those precious rationing
books? The Daly City Record has
just prepared a handy envelope in
which to carry War Ration Books
I and II. You're welcome to have
one, free of charge. Call at the of-
fice of the newspaper, 3317 San
Jose avenue.

A distributor is calling at homes
in this community to leave the
envelopes and to outline advan-
tages of subscribing to "The Rec-
ord." However, he may have miss-
ed you or not have had time yet
to call in your neighborhood.

These convenient envelopes,
gaily printed in blue and red, are
free to both subscribers and non-
subscribers.

Communicable Diseases

The San Mateo County Health
Division bulletin for the week
ending March 20 reported thirteen
cases of chicken-pox, eleven of
measles, three of German meas-
les, and one of mumps in Daly
City. For the same period, Colma
had only one communicable dis-
ease, a case of chicken-pox.

Society Sells Seals To Assist Cripples

Preparations are being made by the San Mateo Society for Crippled Children to sponsor the Easter Seal Sale for the benefit of handicapped youngsters in San Mateo county. The Easter Seal is a national movement sponsored by the National Society for Crippled Children and is carried on by such groups as the San Mateo society throughout the country. The seals are sent through the mails and the returns are devoted to assisting numbers of children who otherwise would not have a chance to lead a normal life.

Sam D. Merk, president of the organization, has announced that Joseph Sarto, Daly City, is arranging the details of the sale to be conducted in this county, March 29 to April 25.

Your patronage WANTED!

● Frankly, we want your prescription business. And we seek to deserve that patronage by maintaining the highest ethical standards; by stocking our shelves with fresh, potent drugs; by employing only competent, registered pharmacists—and by making certain that each prescription is fairly priced. May we compound that very next prescription your Doctor writes for you?

HERE'S A COLUMN TO HELP YOUR "DATE TROUBLE"

People who have difficulty remembering dates are in for much worse headaches than ever before, now that rationing has made the "date" all-important.

To make life a little simpler, this newspaper runs a tabulation of those dates which mean food, clothing, tires, and escape of penalties in this column, each week.

March 16—sugar ration stamp No. 12 became valid; is worth 5 pounds, but must last through the end of May.

March 22—No. 5 "A" coupons became valid for 1 pound of each from March 22 to May 21.

March 22—Coffee stamp No. 26 became valid for 1 pound of coffee.

March 25—Blue stamps D, E, F for the second period in processed food rationing could be used, due to overlapping period arranged by OPA. These may be used any time during April.

March 29—rationing of meats, cheeses, edible fats and oils and canned fish began. The "A" red, stamps in War Book Two are now valid. Worth 16 points.

April 1—deferments end for men of draft age in 29 non-deferable occupations.

April 4—"B" stamp in red section of War Book Two valid for purchase of meats, etc.

April 11—"C" red stamp becomes valid, War Book Two.

April 15—last day to pay first installment state income tax.

April 19—"D" red stamp good during this week.

April 25—"E" red stamp is now valid; expires at a date to be announced later.

April 25—last day to use coffee stamp No. 26 in Sugar Book for purchase of 1 pound of coffee.

April 30—Red stamps "A," "B," "C," and "D" expire.

April 30—Blue stamps D, E, and F, for purchase of rationed pro-

cessed foods, expire.

May 1—deadline for non-deferable men to get war work or fight.

May 1—Last day to use coupon 12 in Book One, good for 5 pounds of sugar.

June 15—last day to use Coupon 17 (in the sugar book) for purchase of shoes (one pair).

RATIONING OF FOOD IS NECESSARY, BECAUSE

1. Fear of scarcity in war time leads people to buy more than their fair share.
2. Many people do not understand that if food is rationed, we must learn to live on our fair share.

Therefore, we must learn to live on our fair share.

SAFeway Homemakers' Guide

Your Safeway has everything to make your house spic 'n' span!

Prices in this ad are effective Tuesday, Wednesday, Thursday, Friday and Saturday, March 30, 31, April 1, 2, 3 in San Francisco, Oakland, Berkeley, Alameda, Richmond, Hayward, and other cities and towns in San Mateo, Alameda and Contra Costa Counties, unless price changes are required as a result of new regulations from the O. P. A.

Spic 'n' Span

The whole house should gleam with that spic and span look after the spring cleaning. That means that besides doing the general cleaning, every little scratch, discoloration, flaw here and there has been taken care of. Housecleaning isn't what it used to be now that we've a host of modern cleaners of all sorts on the market... cleaner for windows, cleaner for upholstery, cleaner for walls, cleaner for just about everything. And take it from me, they do a wonderful job. I am greatly in favor of anything that makes life easier for the homemaker. But these new cleaners aren't the only things that star during cleaning time. Common household items like salt and vinegar, can do all kinds of miracles around cleaning time.

SALT—

... Cleans those brown and grey stains on the bathtub and basin with utmost efficiency. Pour salt on a slightly dampened cloth and scour. It is especially good for hard water stains. ... Removes stains and discoloration from china, earthenware and pottery. Moisten salt and rub spot with it. ... Cleans and brightens brass, copper and pewter when used with an equal amount of vinegar. Add a little flour to the mixture to make a paste, rub it on the article, let it dry, and then rub off. Wash and polish and watch the sparkle.

VINEGAR—

... Equal parts of vinegar and linseed oil make a very good furniture polish. Mix together, shake well, rub on furniture and then polish with the grain of the wood. It brings out hidden beauty. ... Cuts the grease on stoves, in ovens, and on broilers like magic. Saturate a rag with vinegar and go over the greasy portions. Soak stubborn parts in soapy suds that contain vinegar. ... Cleans brick and tile fireplaces quickly and easily. Just wash the surfaces with a cloth saturated with vinegar. ... Removes grease smudges on walls, or painted woodwork. Use it full strength on a cloth. ... Hot vinegar removes paint from windows. Apply it with a cloth, then remove quickly with a paint scraper. No long scraping necessary. ... Brightens faded rugs. About a half cup of vinegar added to a quart of water, then swept over a faded rug brings back its forgotten color.

Laundering Curtains at Home

Laundries are so busy these days that some of us are tackling the job of washing those dainty, frilly and sheer glass curtains at home for the first time. It's not such a problem, provided you treat them with a little extra care, and don't try to wash them as you would Junior's rompers. Get the Size—Shake out the dust, then measure the curtains accurately. To prepare them for the suds, fold them lengthwise, then crosswise, and crosswise again if they are very long. This folding prevents them from getting tangled or twisted. Washing—Soak curtains in moderately warm, mild soap suds for 15 to 30 minutes. Two soakings may be necessary if the curtains are very soiled. Squeeze water out (NEVER TWIST OR WRING CURTAINS). If washed in a machine, tie curtains loosely in a cheesecloth bag to prevent tangling. This is not necessary if they are washed by hand. Use moderately warm suds, and agitate, or "squish" in the suds. Rinse thoroughly in warm water, starch according to the directions given for curtains on your package of starch. Dry white curtains in the sun and colored and ceru ones in the shade. If you have a curtain stretcher, you are fortunate. Otherwise, hang lengthwise on the line. Ironing—When almost dry, stretch curtains to their original measurements and press with a moderately hot iron, lengthwise of the material. They may be folded lengthwise for ironing. For Faded Curtains—Give them a new lease on life with a tint or dye. To remove old colors, use a mild bleaching agent.

All advertised items subject to having stock on hand and price changes made necessary through new regulations from the Office of Price Administration.
